

Horror

Rosemary's Baby **by Ira Levin**

Can you imagine what sorts of meltdowns you have to deal with if your child is the Anti-Christ? Poor Rosemary can! (Fic LEV)

Cell **by Stephen King**

Is your cell phone turning you into a zombie? In one of King's recent works, it sure is, and what a nasty group they can be! (Fic KIN)

The Annotated H.P. Lovecraft **by H.P. Lovecraft**

A master of 20th century horror, madness, and weird fiction. Even looking at the monsters that inhabit Lovecraft's universe is enough to drive a person insane, and squid-headed Cthulhu isn't even the worst or strongest of the group! (Fic LOV)

The Terror **by Dan Simmons**

It's bad enough to be trapped in the Arctic, out of food, and surrounded by pack ice, but throw in a strange and menacing creature and you're really in trouble! (Fic SIM)

Lake Monster **by Joe Citro**

Vermont's favorite expert on horror and high weirdness brings us this tale of the terror that stalks a small town on Lake Champlain's shores. Is Champ feeling grumpy? Read and find out! (Fic CIT)
